

## BETHESDA (BEDOK-TAMPINES) CHURCH

### To Whom This May Concern:

I first met William in Nigeria in Jan 2004. We were speakers for our respective topics at a "Global Prayer-Quake" Conference in Port Harcourt hosted by Rev Mosy Madugba.

I heard and interacted with William for the few days on that trip to better understand his ministry which is basically to exercise the authority given by our Lord Jesus Christ to cast out demons and heal the sick.

I subsequently invited William and Lucille to my church in Singapore to train my leaders and people to do so.

We are called to be priests and kings. In my church, we define a disciple to be so.

As priests, we represent God to people and people to God in prayer.

As kings, we take authority the Lord gave us over demons, sickness and our situations.

William and Lucille has been taking this teaching all over the world and has seen tremendous success accordingly.

They're greatly used by the Lord to bring salvation, healing, freedom for the oppressed, etc.

They fulfil what is described in Luke 4:18.

I highly commend William and Lucille to you for the effective ministry for "power evangelism" and more.
